So, tell me about the new project you're working on. I've heard it's something pretty ambitious.

Speaker 2 0:08

Absolutely. We've been building a platform that simplifies how teams handle their audio and video content. Think of it like a one-stop shop for transcription.

Speaker 1 0:21

That sounds really useful. What kind of accuracy are you seeing so far?

Speaker 2 0:26

It's been great, honestly. We're using the latest speech models and the results are really impressive.
